

- **The Indian Agricultural Research Institute (IARI)** commonly known as Pusa Institute is situated in **Delhi**.
- **The National Rice Research Institute** is situated near Bidyadharpur village on the Cuttack, **Odisha**.
- **Sugarcane Breeding Institute** is a central research institute in **Coimbatore**, India. It was established in 1912.
- **The Indian Institute of Sugarcane Research (IISR), Lucknow** was established in 1952.
- **Central Potato Research Institute** is an Institution of Indian Council of Agricultural Research (ICAR) located in **Shimla**, Himachal Pradesh.
- **The Central Tobacco Research Institute** was established in 1947 at **Rajahmundry** under the aegis of ICTC, Madras.
- **The Forest Research Institute (FRI)** is an institute of the Indian Council of Forestry Research and Education. It is located at **Dehradun** in Uttarakhand.
- **Indian Lac Research Institute**, is an autonomous institute, established under the umbrella of Indian Council of Agricultural Research (ICAR) by the Ministry of Agriculture, Government of India. The Institute is located at **Namkum, Ranchi** in Jharkhand.
- **The National Dairy Research Institute**, is located at **Karnal** in Haryana. The institute was accorded the status of Deemed University in the year 1989.
- **Central Institute of Mining and Fuel Research (CSIR)** is located at **Dhanbad** in Jharkhand.
- **Central Leather Research Institute (CLRI)** is the world's largest leather research institute in terms of research papers and patents. The institute located in Chennai, Tamil Nadu was founded on 24 April 1948.
- **The Central Drug Research Institute** is a multidisciplinary research laboratory in **Lucknow**.
- **Raman Research Institute** is an institute of scientific research located in **Bangalore**.
- **Central Scientific Instruments Organization** is a national laboratory dedicated to research, design and development of scientific and industrial instruments. It is situated in **Chandigarh**.
- **National Metallurgical Laboratory (NML)** is an Indian research center that functions under the aegis of Council of Scientific and Industrial Research. NML is located in **Jamshedpur**.
- **Central Salt and Marine Chemicals Research Institute** is a constituent laboratory of the Council of Scientific and Industrial Research (CSIR), India. The Institute was inaugurated by Jawahar Lal Nehru on 10 April 1954 at **Bhavnagar**, in Gujarat.
- **The Archaeological Survey of India (ASI)**, under the Ministry of Culture, is the premier organization for the archaeological researches and protection of the cultural heritage of the nation. The Archaeological Survey of India is located in **New Delhi**.
- **Central Research Institute for Jute and Allied Fibers** is a research institute on jute & allied fibre crops under the Indian Council of Agricultural Research of Government of India. This institute is located at **Barrackpore** in West Bengal.
- **National Aerospace Laboratories (NAL)** was established by the Council of Scientific and Industrial Research (CSIR) at Delhi in 1959 and its headquarters was later moved to **Bangalore** in 1960.
- **The National Institute of Oceanography** is an autonomous research organization in India to undertake scientific research and studies of special oceanographic features of the Northern Indian Ocean. This institute is located at panaji in Goa.
- **The National Geophysical Research Institute (NGRI)** is a geoscientific research organization established in 1961 under the Council of Scientific and Industrial Research (CSIR), India's largest Research and Development organization. This institute is located in **Hyderabad**.
- **The Indian Institute of Petroleum (IIP)** is one of the constituent laboratories of the Council of Scientific and Industrial Research (CSIR), dedicated to R&D in the hydrocarbon sector. This institute is located at **Dehradun** in Uttarakhand.
- **Central Road Research Institute (CRRI)** is a constituent laboratory of India's Council of Scientific and Industrial Research. The CRRI is located in **New Delhi**.

- **The Central Building Research Institute (CBRI)** is a constituent establishment of Council of Scientific and Industrial Research, India and has been vested with the responsibility of generating, cultivating and promoting building science and technology in the service of the country. This institute is located at **Roorkee** in Uttarakhand.
- **Tata Institute of Fundamental Research** is a public research institution located in **Mumbai**, India that is dedicated to basic research in mathematics and the sciences.
- **The High Altitude Research Laboratory** was established at **Gulmarg**, Kashmir in 1963, on the initiative of Dr. H. J. Bhabha, to provide the scientific community of the country a self contained high altitude / high latitude laboratory for scientific research.
- **The National Botanical Research Institute (NBRI)** is a research institute set up under the aegis of the Council of Scientific and Industrial Research (CSIR) **in Lucknow**. It is engaged in the field of taxonomy and modern biology.
- **Central Food Technological Research Institute (CFTRI)** was set up under the aegis of the Council of Scientific and Industrial Research (CSIR). It was opened on 21 October 1950 at Mysore in Karnataka.
- **Central Glass and Ceramic Research Institute** is under Council of Scientific and Industrial Research. It focuses on the area of glass, ceramics, mica, refractories etc. This institute is located in Kolkata.
- **The National Environmental Engineering Research Institute (NEERI)** is a research institute created and funded by Government of India. It was established in **Nagpur** in 1958 with focus on water supply, sewage disposal, communicable diseases and to some extent on industrial pollution.
- **Central Electro Chemical Research Institute** is located at **Karaikudi** in Tamil Nadu.
- **Indian Institute of Chemical Biology** is located in Kolkata.
- **Indian Institute of Toxicology Research (IITR)** is dedicated to provide health safeguards to industrial and agricultural workers through its rich knowledgebase, created painstakingly over the years. IITR is located in **Lucknow**.
- **The Central Mechanical Engineering Research Institute** is a public engineering research and development institution at **Durgapur** in West Bengal.
- **The Centre for Cellular and Molecular Biology** is an Indian biotechnology research establishment located in **Hyderabad** that operates under the aegis of the Council of Scientific and Industrial Research.
